All forms and manuals below, besides the DENS™ ASI & CASPAR-C software & RoadMAP Toolkit, are available for download free of charge at [www.tresearch.org/resources/instruments.htm#top](http://www.tresearch.org/resources/instruments.htm#top). They may all be duplicated by the purchaser at no additional charge; therefore we ask that you order only one copy of each item. Fees cover the cost of reproduction, postage and handling within the United States. **U.S. clients: do NOT add additional costs for shipping and handling. Make checks payable to “Treatment Research Institute”.** The Treatment Research Institute is a private, non-profit organization dedicated to science-driven transformation of policy and treatment in substance use and abuse.
